

GrannyConnect

Okay, so you're interested in understanding the details of how it works. It's a simple process that GrannyConnect has developed so that all participants understand and are encouraged to participate and includes the following.

1. On enrolment, GrannyConnect will forward an email to the grandchild being enrolled copying both the parent(s) and grandparent(s) with an explanation of the program. See [Sample Introductory Agreement](#).
2. We now begin the process of a weekly [gramit](#) prompt to the grandchild, collecting, forwarding and storing the weekly [gramit 's](#). See [Sample Email Reminder](#).
3. At any point in the process you can take advantage of GrannyConnect's diary service and receive a hard copy of the [gramit's](#) annually and/or a soft copy on demand.

The concept and process are simple – the results could be life altering. Let GrannyConnect help nurture the grandchild/grandparent relationship while producing a family memorabilia that will be something you will truly treasure in the future.

GrannyConnect

Hello Tim Smith, your *(insert grandparents or parents depending on who signed up)* have signed up to an exciting new service called GrannyConnect! Please view our website at www.grannyconnect.com for details on how this service works.

We are asking that you commit to writing your grandparent(s) a weekly [gramit](#) to keep them up-to-date on what is going on in your life. They will, of course, take great pleasure in reading these weekly and responding to you with both questions and up-dates of their own.

You will receive weekly prompts from GrannyConnect including the [gramit](#) link!

You, your parents and certainly your grandparents will all benefit from this dialogue – a relationship with your grandparents is not only something to treasure but also something to nurture. Years from now when we produce this into a book format for you to keep, it will become a family memorabilia to be treasured for generations.
